HOLLOWAY'S PILLS.—THE GRAND REQUISITES.—Nobody will deny the assertion that for man's happiness and comfort pure blood and a sound stomach rank amongst the first requirements. Both may be safely and inexpensively secured by these admirable Pills, which act gently on the weakest frames, and cause no violent shock to the most sensitive system. Holloway's Pills have proved themselves competent to deal constitutionally with those infirmities which descend from parents to offspring, which often mar the brightest prospects, and throw a constant gloom over youth. These Pills purify both the solids and fluids of the body, and by that salutary process rouse every organ to perform naturally every proper function and strengthen every nerve for its proper duty.

The new theatre now in course of erection within a few doors of the Adelphi Theatre, in the Strand, will be opened, so it is currently reported, in March or April next, not by Miss Oliver, but by Mr H. J. Montague.

Miss Fanny Josephs becomes manageress of the Globe, and produces "Lord Bateman and the Fair Sophia."

Amateur Theatricals, Concerts, and Readings.

MISS ELLA STAUNTON can accept engagements for the above in Town or Country. For dates and terms, apply, 2, St Mark's Grove, Fulham-road, West Brompton. S.W.
